A ROUSE, PROPERTY OWNERS ON FIRST AVENUE:

A meeting of the owners of property on First avenue, to be held in the Toutonia Assembly Rooms, Nos. 183 to 160 Third avenue, to take into consideration the matter of resisting the laying of the Robbin's Excelsion Pavement on First avenue. This is a measure passed over the Mayor's reto by the Aldermen and Assistant Aldermen of New York, after receiving the unanimous remonstrance of the property owners. We propose the following:—That we will not submit to be tradien on and robbed without taking every means in our power to protect ourselves. Let the people arouse, and in their might tell the men elected to represent them that they are responsible to the people for their acts, and cannot take away our rights without determined resistance. This meeting is called by the committee elected by the property owners, at a meeting held March 10, corner of First avenue and Fifth street.
